SNOWMEN TASSELS

TL850 2 TASSEL SANTAS, 3" TALL

OPAQUE STAINS	CO101 White
CO104 Black	CO110 Flesh
CO130 Electric Blue	CO137 Peach Blush
CO138 Christmas Red	CO156 Dark Flesh

Pour greenware thin so you can put a hole through the top of the hat.

BC face with Dark Flesh. Wash with thinned Black. DB with Dark Flesh, then HL with Flesh. Blush cheeks with Peach Blush with a little Christmas Red in the brush. Paint the hat Christmas Red.

Paint tassel with White and DB mustache White. Eyes are Electric Blue lightened with White.

To make a tassel, wrap a piece of cardboard with chenille or yarn as many times as desired. Tie with a piece of yarn before removing from board. Wrap the top a few times to secure. To loop top, tie a threaded needle around a length of yarn. Drop the needle into hole from inside and pull yarn through top. Knot yarn to secure. Glue tassel into the opening.

SNOWMEN

TL838B BODY FOR FLUFFY POT

TL841 MISTER SNOWMAN POT, 7" TALL

TL848 MATCH STICK SNOWMAN, 9.25" TALL

TL851 2 SMALL SNOWMAN POTS, 5.5" TALL

TL855 ACCESS. SNOWMAN HEAD FOR TL838, 6.5" T

TL856 ACCESS. SNOWMAN HEAD FOR TL841, 4.75" T

OPAQUE STAINS	CO101 White
CO104 Black	CO108 Walnut
CO115 Country Gold	CO116 Dark Blond
CO119 Bright Orange	CO124 Sherwood Green
CO130 Electric Blue	CO131 Night Blue
CO148 Irish Green	CO149 Sky Blue
SPECIAL PRODUCT	
CS108 Water Base Silver	

Airbrush or paint thinned White over body of snowmen, presents and scarves. BC blue bear with Sky Blue.

Mix Night Blue and Electric Blue 1:1 and thin with water so it is transparent. Brush over all white areas of snowmen and blue bear.

DB White over white areas. BC hats with Black, the hatband with Country Gold, the trees with Sherwood

Green, the broom handle with Walnut and the broom and yellow bear with Dark Blond. Wash Country Gold over the broom and bear. BC mittens with mixed blue color. BC carrot noses with Bright Orange.

DB mittens with Electric Blue and HL with White. DB blue bears with Sky Blue. DB brooms and yellow bear with Dark Blond. DB tree with Irish Green, then add Dark Blond to brush for one coat. HL with Sky Blue.

Closely stripe hatbands with Dark Blond. Paint top and bottom bow on gifts with the blue mix. The middle bow is Water Base Silver.

Paint buttons on snowmen with the blue mix.

Stripe scarves with Electric Blue thinned slightly using an appropriate size square shader.

Eyes are Electric Blue lightened with White slightly. Pupils and outline of eye is Black.

To change the medium snowman with the pot head to a candle holder, use mold #3512 upside down.

REINDEER

TL844 2 REINDEER POTS, 4.75" TALL

TL845 MED. REINDEER POT, 8.5" TALL

TL846 LARGE REINDEER POT, 13" TALL **

TL849 REINDEER NODDER, 7.5" TALL

OPAQUE STAINS	
CO101 White	CO104 Black
CO108 Walnut	CO109 Deep Brown
CO112 Terra Cotta	CO137 Peach Blush
CO138 Christmas Red	CO144 Medium Brown

Clear Glaze antlers. Fire 04. Apply Hanovia's Liquid Bright Gold and fire 018.

Airbrush or brush on thinned Walnut on reindeers (except pot). Paint pot with Terra Cotta. Wash reindeer and pot with very thinned Deep Brown.

Airbrush Medium Brown over reindeer, letting shadow areas remain darker. Airbrush some Medium Brown over pot. DB tuft of hair on chest with White and around hooves and tips of ears.

Thin Black slightly and paint hooves. Paint nose with Christmas Red, tongues with Peach Blush darkened with Christmas Red. Paint eyes with Medium Brown and pupils with Black.

To make the pot into a candleholder for the large reindeer, use candle plate mold #3738.

For the medium reindeer, use Scioto mold #3512 upside down.

Use a nodder spring for the nodder reindeer.

PENGUINS

TL852 PEPPY PENGUIN POT, 7.25" TALL

TL853 LARGE PENGUIN POT, 11.75" TALL **

TL854 PIP & PEN PENGUIN POTS, 5.5' TALL

OPAQUE STAINS	
CO101 White	CO104 Black
CO119 Bright Orange	CO130 Electric Blue
CO138 Christmas Red	CO144 Medium Brown

To make the medium size penguin into a candle holder, glue Scioto's medium hurricane candle insert (mold #3138) into the pot and candle cup.

Airbrush or paint White on breast and face. BC beak and feet with Bright Orange mixed with Medium Brown.

Wash with very thin Black. Airbrush White again, letting the shadow areas and edges remain darker. DB feet and beak with mixed color. Paint remainder Black. Part of the cheeks are painted Black. Refer to picture. Tongues are Christmas Red.

SPOOKY SKULLS

TL829 STAKE, 18" TALL

TL835 HAUNTED TREE W/3 PUMPKINS, 11.5" TALL

TL842 SKULL, 4.25" TALL (FOR TL829 STAKE)

TL843 3 SKULLS, 3.25" TALL (FOR TL835B)

TL847 CROSS BONES, 10" LONG **

OPAQUE STAINS	CO101 White
CO104 Black	CO105 Vanilla
CO108 Walnut	CO109 Deep Brown
CO116 Dark Blond	CO150 Navajo

Cut out appropriate holes in wet greenware. For the skull stake, cut out hole in top of head for heat. Fire 05.

BC skulls and bones with White. Thin Deep Brown like water and brush quickly over piece to antique. DB with Vanilla, then HL with White. Paint inside with Dark Blond. BC rope, tree and stake with Black. DB with Walnut. HL with Navajo.

The wiring of the tree uses 4 lamp post sockets. Attach to the cord with wire connectors.
